

Watoto exists to raise the next generation of Ugandan leaders by pursuing excellence in academic and practical skills, integrity of conduct and moral values so that each child becomes a responsible Christian and a productive citizen of Uganda.

IT TAKES A VILLAGE...

Watoto is strongly committed to placing children in a safe family environment rather than in large institutional orphanages. They become part of a family unit in the Watoto community living in individual homes. Each child remains part of their new family for life. A sponsored individual has multiple sponsors in order to provide the holistic care that is required to equip them for success in life.

SPONSORSHIP OPTIONS:

1 WATOTO CHILD

Your sponsorship of a boy or girl helps to provide holistic care for a parentless child. This includes a home, food, clothing, education, medical and spiritual care for your Watoto child.

2 BABY WATOTO

Orphaned or abandoned babies 0-2 are brought into Baby Watoto and given proper care, medical support and a loving environment. Your sponsorship is not for a specific child, but for all of the babies.

3 HOUSE MOTHER

All Watoto House Mothers were once in highly vulnerable situations themselves. They now nurture and care for up to eight children. Your sponsorship provides her with holistic care as well as training to better support her family.

4 SCHOOL TEACHER

Watoto builds its own schools and finds qualified teachers to educate the children. Your sponsorship contributes to the salary and living expenses of these committed individuals.

+ SPONSORSHIP PLUS

For an additional £5/month, you provide extra support for general sponsorship costs to help fund:

- Social workers to locate and bring in needy children
- Educational and administrative supplies
- Emergency medical care for Watoto individuals
